

# OPC Foundation CD-ROM

## March 2001

OPC Foundation publishes the OPC product catalog two times per year in print, on the web, and on CD-ROM. Single copies are available upon request from the OPC Foundation Web Site: [www.opcfoundation.org](http://www.opcfoundation.org) or via e-mail: [opc@powerinternet.com](mailto:opc@powerinternet.com).

The Specifications are available from the Web Site as downloadable MS-Word files at: [www.opcfoundation.org/OPC\\_specification.htm](http://www.opcfoundation.org/OPC_specification.htm). Companies wishing to develop OPC Server or Client interfaces for their products should consider joining OPC Foundation.

Member benefits include working on technical committees to enhance the Specifications and sample drivers and dlls to implement OPC Server and Client interfaces. A [membership application](#) is included on this CD-ROM.
